#KeepingFamiliesClose

## A Message from our Board Chair

Ronald McDonald  
House Charities®  
Central West NSW

### Welcome to tonight's Charity Gala Ball 2025 for Ronald McDonald House Charities Central West NSW

On behalf of the Board, myself and the staff and volunteers of the Orange House & Dubbo Hospitality Cart program, we thank you from the bottom of our hearts for your support in attending tonight.

For more than a decade our Gala Ball has been the focus of our annual fundraising campaign. We feel very proud to share with you that every dollar raised from tonight's Ball stays here, in Orange.

All funds raised go directly to supporting families staying here at the House in Orange, and families being supported by our Hospitality Cart program at the Dubbo Hospital.

The contribution each of you has made by attending the Ball, and assisting with our fundraising will make a real difference in the lives of families, at a time when they are facing one of the most daunting experiences of their life – having a child who requires urgent medical or psychological treatment.

Our Ronald McDonald House Central West House in Orange is in many ways unique. Half the nights provided free of charge since we opened have been for families who have a child, or adolescent experiencing a mental health crisis requiring urgent intervention and treatment.

Following close behind are young families – women, who due to the high-risk nature of their pregnancy cannot have their babies in towns such as Parkes, Forbes, Cowra or Mudgee, and often have to stay with us for weeks or months leading up to the birth of their baby.

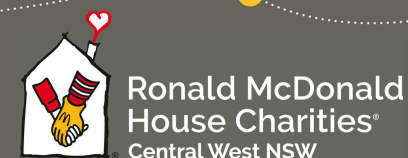

We treasure our beautiful connections with these families, who often come back to visit and send us photographs of their babies and children once they have returned home to a normal life.

Of course, without the generous support of our sponsors, tonight would just simply not be the wonderful success that it is. Your contribution to supporting families of sick and injured children is a relationship we greatly value. Thank you for your ongoing partnership and support.

**Ray Miller**

## A Message from our Executive Officer

We're proud to celebrate  
**10 years since opening  
Ronald McDonald House  
Central West NSW**

**Rebecca Walsh**  
Executive Officer  
Ronald McDonald House Central West NSW  
#TogetherCentralWest  
#KeepingFamiliesClose

Thank you for joining us tonight.

Your generous support, kindness and belief in our mission, help us to make a real difference to our families and communities that we serve. It is because of your contributions that we are able to continue our work, and create meaningful impact.

One of our key strategic priorities is to 'Serve more families and Serve them Better'. In late 2024 we opened our first Hospitality Cart in the Dubbo Hospital. In 2026 we will extend the Cart program into two other Western NSW LHD hospital's.

Our Dinner in a Dash Program, provides nourishing meals for our families cooked by Corporate's and Community Groups. We are working with the Orange Health Service to extend this meal program, to include a Grab & Go option for families on the Paediatric Ward and Special Care Nursery who are not staying at the House in Orange.

Additionally, we will be implementing a Day Pass Program for families on the Ward in Paediatrics and the Special Care Nursery & who are not staying with us so that they take a break from the ward and access the House facilities.

From our family to yours, thank you for being an essential part of our journey and for helping us make a positive change together.

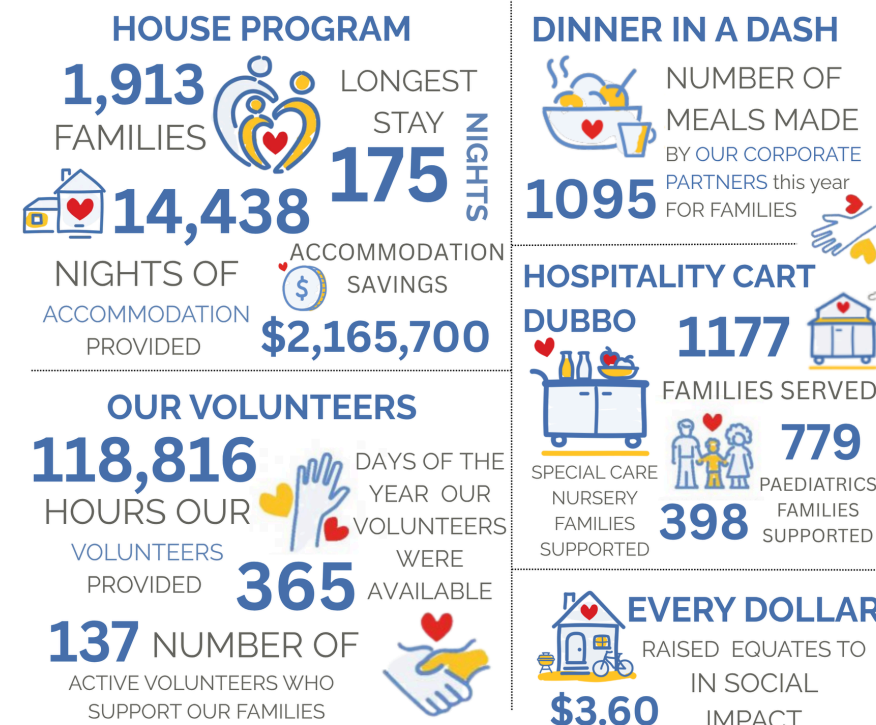

Let's come together and help cover 1,875 nights for families so they can be near their sick or injured child at Ronald McDonald House Central West NSW

We've worked hard to serve families in our region over the last 10 years, since opening the doors in April 2015. Behind every number and statistic represented here there is a story - a family with a sick or injured child, a Volunteer, a community of people who care for others.

## Our Impact

Current at 21 October 2025

## Program of Events

### Master of Ceremonies

Tom Campbell

### Auctioneer

Geoff Rice

### Entertainment

1st/15<sup>th</sup> Royal NSW Lancers

### Pledge a Night

Fill the room with love! Donate \$1,330 and help cover a 7 night stay for a family

The average cost to accommodate a family is \$190 for one night of accommodation. Every dollar helps - even a pledge of \$50 helps towards keeping the Dubbo Hospitality Cart stocked - details on page 11

## How Your Support Helps

Ronald McDonald  
House Charities®  
Central West NSW

**Tonight, you're helping keep families together and close to treatment at Ronald McDonald House Central West NSW. Healing is helped when families can all be together, supporting each other.**

Thanks to your generosity, we're able to...

Provide a 'home away from home' for families at our House in Orange when they need to travel for treatment for their sick or injured child

Support families with children and infants in the Paediatric Ward and Special Care Nursery at Dubbo Base Hospital through our Hospitality Cart

Provide 'wrap around' services for families when they need it most - meals while they stay with us, essential items and a place to stay within walking distance to the Hospital

Provide tuition that's tailored to each child's situation through our Learning Program, helping students get back on track and build their confidence.

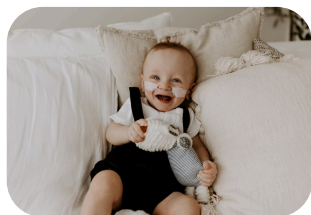

Together we can help families hold onto the small, everyday moments when their world falls apart.

Every program we offer gives families with seriously ill children more tools to help and significantly eases the financial burden. Since opening we have been able to save families \$2,165,170 in accommodation

**Thank you for keeping families together**

## We're here for Families

**HENRY**

New parents Lou and Garry, from Parkes, have been on a rollercoaster ride since the birth of their son, Henry, in September 2021. Born at 24 weeks, during the Covid pandemic, Henry weighed just 560 grams.

*"Having a premie baby is a long journey and we didn't always know where we were going to end up, but it's been made a lot easier with Ronald McDonald House and the staff and volunteers."*

Through the pregnancy, birth and infant years, the Ronald McDonald Houses in Orange, Newcastle, and Westmead have been a 'home away from home' for Gary, Lou and Henry.

"There's a lot of unknowns and they've made life a lot easier for us at a very unsure time" said Garry.

Staying at Ronald McDonald House "eases financial pressures and the physical toll of having to be a distance away. Just having the support network around who get to know your story, and you, is so helpful."

**BALIN**

When Mick and Jacinta heard they could access vital care for their son Balin in a mental health unit at Orange Hospital, they jumped at the chance and drove almost 8 hours from their home close to the Victorian border.

The stressful decision to leave their region was made easier knowing they could stay nearby at Ronald McDonald House Central West in Orange.

Staying at a Ronald McDonald House while Balin received specialist care, was a relief and comfort for the family.

*"I was spending 12 to 15 hours a day in the unit with Balin to support him and if I hadn't been able to access one of those wonderful home cooked meals, I know late at night I would have just driven to a petrol station to pick up what I could," Mick said.*

*"Being here is a therapy in itself and we are just so grateful to everyone - the staff and all the volunteers,*

*There is everything here we could possibly need, and more"*

**JULIANNE**

*"To every one of the volunteers at Ronald McDonald House in Orange where do I begin... I'm so grateful for what each and every one of you, for all have done for me and my little family.*

*I don't know how I would have coped without you. Your amazing smiles, and hard work - you all are absolutely amazing people. We are so grateful especially for the yarns and getting to know you all.*

*Being at Ronald McDonald House was a home away from home. You made us feel so welcome - took us in with big open arms and beautiful smiles.*

*It was one of the toughest times for our family but somehow you all found a way to care - whether it was just a smile or a wave, it made the pain go away. You all deserve gold medals and you don't know how much you guys change people's lives.*

*Thank you so much for everything you all have done - I will never forget it ❤️*

*Love always -Julie and her little family from Condo"*

**Pick up the tab and help families like these, who need a time-out from the wards, who need a break to create new memories or who have been away from home while their child receives crucial treatment in hospital. Your donation will help keep families together and relieve their financial burdens whilst getting the care they need.**

## Our Special Guests

**Ronald McDonald House Charities®**  
Central West NSW

### Gorgeous Ginny - what a life you've led so far...

When Ginny was 12 weeks old she was diagnosed with Biliary Atresia, a rare liver disease that scars and blocks ducts that carry bile from the liver to the intestine.

This was when we met the incredible Liver Team at the Children's Hospital at Westmead. Ginny had her first surgery at just 12 weeks old, a Kasai procedure, to try and repair her liver but over the next few month's Ginny's condition worsened as her liver failed.

Her skin was yellow, her belly was swollen and her little arms and legs were so skinny. Despite all this, Ginny was still a happy, smiley little girl. The magnificent liver team at Westmead kept close watch over Ginny and she was listed for transplant just before Christmas.

After an agonising nine weeks on the transplant list, the call came in that the team had found her a liver. Ginny's transplant surgery lasted 14 hours - she was 8 months old. Our little girl has overcome more health challenges in her two years than some encounter in a lifetime. For some kids, childhood looks completely different than it should. Instead of playdates there are appointments, instead of sleepovers there are hospital stays

**Through it all, Ronald McDonald House has been there - 117 nights away from home, 69 nights in hospital, 6 surgeries and 1 new liver later, Ginny is now a happy and healthy little girl.**

Thank you to Sophia, Damian, Ginny and the Hayes family for joining us this evening to share your story. We are so grateful to you all.

## Raffle - Lucky Winners Drawn Tonight!

Terms and conditions may apply to all prizes.

Grab a  
raffle  
ticket

## Thank you to our Founding and Forever Partner

### OUR FOUNDING & FOREVER PARTNER

Founded in 1974 in Philadelphia, USA, Ronald McDonald House Charities (RMHC) began with a single-minded and powerful goal: to provide a House where the families of children in hospital could get some rest away from the ward.

It all began in Philadelphia in 1974 when three year old Kim Hill, daughter of Philadelphia Eagles football player Fred Hill and his wife, Fran, was being treated for leukemia at St. Christopher's Hospital for Children.

During Kim's three years of treatment, the Hills often camped out on hospital chairs and benches and ate makeshift meals out of vending machines, all while watching other parents do the same. They learned that many families travelled great distances to bring their children to the medical facility and couldn't afford hotel rooms.

The Hills knew there had to be a better way. Fred rallied the support of his Eagles teammates to raise funds.

Through Jim Murray, the Eagles' general manager, the team offered its support to Dr. Audrey Evans, head of the Paediatric oncology unit at the Children's Hospital of Philadelphia.

Dr. Evans dreamed of a comfortable temporary residence for families of children being treated at her hospital.

Murray enlisted Don Tuckerman from the local McDonald's advertising agency, who with the support of McDonald's Regional Manager Ed Rensi, launched the St. Patrick's Day Green Milkshake (now known as the Shamrock Shake) promotion. Funds raised went toward purchasing an old house located near the hospital.

Today, RMHC is truly global, with over 380 Ronald McDonald Houses in 62 countries and regions across the world.

From the moment the first house was opened in 1974, McDonald's employees, franchisees, suppliers and customers worldwide have shared donations as well as their time to support the Ronald McDonald House mission. McDonald's commitment to serving communities has helped Ronald McDonald House positively impact millions of families worldwide.

The first Ronald McDonald House in Australia was opened in Camperdown, NSW in 1981. This was made possible through the generous support of McDonald's Restaurant franchisees.

Our house, Ronald McDonald House Central West NSW opened for first families in 2015 with the generous support of our Founding and Forever Partner and the franchisees of the Central West.

In 2024 we launched our Hospitality Cart inside Dubbo Hospital, with two more carts planned for other regional hospitals in the near future.

### OUR CITY REAL ESTATE

Established in 2018, Our City Real Estate is a boutique agency redefining what it means to buy, sell, and manage property. Built on integrity, collaboration, and care, we are a team driven by the belief that real estate is not just about property — it's about people.

At Our City Real Estate, we are passionate about creating positive outcomes for everyone we work with. Our approach goes beyond transactions; we're genuinely invested in the journeys of our clients, ensuring every experience is personal, transparent, and rewarding.

Proudly local, we actively engage with and contribute to our community, celebrating the vibrant spirit and unique character of our region. Whether you're buying your first home, selling an investment, or searching for your next opportunity, our team brings expertise, insight, and a personal touch to every step.

Team OC are a group of dedicated property professionals with the knowledge and experience to turn your property dreams into reality. We don't just sell homes - we build relationships, empower clients, and help shape the communities we're proud to call home.

### MANILDRA GROUP

As a world-class advanced manufacturer of premium Australian food and industrial products, Manildra Group is proudly 100 per cent Australian owned, and is headquartered in Sydney, New South Wales.

Backed by more than seven decades of sustainable growth in diversified value-adding to Australia's rural and regional industries and communities, our global agribusiness began from a single flour mill, in the central west township of Manildra, in 1952.

The largest in Australia, Manildra Flour Mill today operates round-the-clock, among our state-of-the-art regional manufacturing facilities employing more than 1500 local people, with the support of thousands more working across our value chain.

In trusted partnerships spanning generations of farming families, Manildra Group locally sources Australian wheat, sugarcane and canola to manufacture the highest-quality staple and specialty ingredients.

[www.manildra.com.au](http://www.manildra.com.au)

### LAND ORANGE

Our aim is to provide quality housing estates that cater for all members of our community. Land Orange Partnership is an Orange based land developer. We are locals working within our local community to deliver quality land developments with a difference.

Roger Heath and David Fenton who are both qualified civil engineers with Local Government and consulting backgrounds. The Partnership was created in July 2013 and they have developed and delivered numerous, quality subdivisions in Orange and surrounds.

Chris Fenton, who is also a qualified civil engineer and planner, was employed by LANDORANGE in 2023 and has become an integral part of the team. He has brought to the partnership valuable experience after working in project management and planning in Sydney for ten years.

With Roger, David and Chris working together to provide high quality residential housing estates for the future growth of Orange and district, you can be assured of finding the perfect block to build your dream home. They have a proven track record in land development and have built up a trustworthy reputation with their clients over many years.

### AUSTRALIAN FRESH MILK HOLDINGS (AFMH)

Australian Fresh Milk Holdings (AFMH) is a world class dairy farming company focused on the sustainable production of high-quality fresh milk. We are passionate about three things: our people, our cows and our farms. We apply best practice farming techniques that promote the highest standards of wellbeing and sustainability through innovation, technology and staying true to our values.

AFMH philosophies are built on a long term vision for the company. Sound investment providing sustainable results for shareholders, our environment and community into the future. AFMH is grounded with over 100 years of generational Australian dairy farming.

The Moxey Family commenced dairy farming in Richmond in 1919, later moving operations to Gooloogong in 1992 to establish what is now Moxey Farms, the original site of AFMH. While much has changed over the long history of this enterprise, the core family values that have guided the business over the year remain as strong as ever.
